No.1 B.A.M.S.
College in Uttar Pradesh

At Naiminath Ayurvedic Medical College, our commitment is unwavering towards delivering top-tier education and facilitating exceptional facilities within the realm of Ayurvedic medicine. Our college prides itself on offering a comprehensive curriculum that not only delves into the depths of traditional Ayurvedic practices but also seamlessly integrates modern medical advancements. With a strong emphasis on practical training and experiential learning, our students gain access to well-equipped laboratories where they hone their skills under the guidance of seasoned faculty members. This hands-on approach ensures that our graduates step into the professional world with the confidence and expertise required to excel in their careers.

FROM THE CHAIRMAN'S DESK

Dear Students,

As we navigate the rich heritage and progressive future of Ayurveda, I am proud to reflect on its profound significance in India and the essential role Naiminath Ayurvedic Medical College plays in this tradition.

Since its establishment in 2016, Naiminath Ayurvedic Hospital has been dedicated to advancing Ayurvedic principles and practices. Our Bachelor of Ayurvedic Medicine and Surgery (BAMS) program reflects our holistic approach. It incorporates traditional practices with elements such as yoga, meditation, dietetics, and lifestyle counselling. Students gain hands-on experience through internships and clinical rotations, preparing them to meet modern healthcare challenges

Professional development is key. We focus on essential skills like communication, leadership, entrepreneurship, and ethics, vital for successful careers in Ayurveda. Our rigorous faculty recruitment and continuous development programs ensure we maintain high educational standards.

Naiminath Ayurvedic Medical College is also committed to community service. Our talented consultants regularly conduct community service camps, providing free consultations and treatments to underserved populations. These camps not only benefit the community but also offer invaluable practical experience for our students.

Student welfare is a priority, with various programs in place to support their overall well-being and academic success. We offer counselling services, mentorship programs, and financial assistance for deserving students, ensuring a supportive learning environment.

Our guest lecture series is another highlight, featuring esteemed professionals and experts from the Ayurvedic field and beyond. These lectures provide our students with insights into current trends, challenges, and opportunities in Ayurveda and healthcare, enriching their educational experience.

Looking ahead, Naiminath Ayurvedic Medical College is committed to integrating technology, fostering interdisciplinary learning, strengthening industry partnerships, expanding global outreach, establishing a research hub, and ensuring continuous quality improvement. These initiatives provide our students with a comprehensive, engaging, and globally relevant education. We are committed to shaping the future of healthcare with Ayurveda's timeless wisdom, preparing our students for successful and rewarding careers.

Thank you for your continued support.

Prof. Dr. Pradeep Gupta

Chairman, Naiminath Group of AYUSH Institutions

ABOUT COLLEGE

Naiminath Ayurveda holds a commitment to providing quality education and top-notch facilities in the field of ayurveda medicine. We are a 100 bedded state of art Ayurvedic Hospital which is functional since 2016, where more than 200 patients visit the Outpatient Department every day and around 40 patients are present in the Inpatient Department.

The college offers a comprehensive curriculum that not only covers traditional Ayurvedic practices but also integrates modern medical advancements with its emphasis on practical training and experiential learning. Students have access to well-equipped laboratories where they can develop their skills and gain hands-on experience under the guidance of experienced faculty members. This approach ensures that graduates are prepared to enter the professional world with confidence and expertise. The Hospital prides itself in providing a well-equipped, hygienically maintained panchkarma therapy rooms to suit the need and affordability of one and all.

What sets Naiminath apart from other private ayurvedic colleges in UP is its emphasis on practical experience alongside theoretical knowledge. This prestigious ayurvedic medical college offers a unique blend of traditional practices and modern advancements, making it one of the most sought-after institutions for aspiring ayurvedic practitioners. Students here have the unique opportunity to engage in hands-on learning through internships at the attached hospital.

We have Outpatient departments in Kayachikitsa, Kaumarbhritya, Panchkarma, Prasuti & Stri Roga, Shalakya tantra, Shalya tantra, Swasthavritta, Dental and Physiotherapy. The Hospital prides itself in providing a well-equipped, hygienically maintained panchkarma therapy rooms to suit the need and affordability of one and all.

SUSTAINABLE, SCALABLE AND REPLICABILITY OF OPERATIONS

Through years of practice and practical learnings we have developed detailed SOPs for each and every department which helps us in ramping up our staff on a faster and precise manner. A holistic periodic training curriculum is available for continuity of learning and upgrading our knowledge base. Training processes have been bifurcated for Clinical, Non-Clinical and Physicians separately for clear understanding of job roles. Regular knowledge transfer sessions are conducted to enable cross training and intra-operability of employees.

AFFORDABILITY AND ACCESSIBILITY

The institute believes in the principles of healthcare for all and hence our price points have been fixed at a minimal rate based on the general public economic status in the city. Naiminath Ayurvedic Hospital has adopted 5 neighbouring villages and provide free of cost treatment to them all. Regular free camps are conducted for patients who cannot afford quality healthcare in the city and are treated here with exceptional results.

UNPARALLELED EDUCATION AND PRACTICAL TRAINING

Our comprehensive curriculum seamlessly blends traditional Ayurvedic principles with modern medical advancements, ensuring our graduates are equipped with the knowledge and skills needed to excel in their careers. What sets us apart is our emphasis on practical training and experiential learning. Through access to state-of-the-art laboratories and mentorship from seasoned faculty members, our students gain invaluable hands-on experience, preparing them for the challenges of the professional world.

UNIQUE INTERNSHIP OPPORTUNITIES

At Naiminath, we believe in learning by doing. Students have the unique opportunity to engage in hands-on learning through internships at our affiliated hospital. This practical experience, under the guidance of experienced practitioners, further enhances their skills and prepares them for the professional world.

OUR VISION AND MISSION

Our **vision** is to be an innovative, leading global Ayurvedic Medical College, Hospital and Research Centre dedicated to transforming the youth into the most competent doctors equipped with highest professional as well as clinical skills in the field of Ayurveda System of Medicine through rigorous and intensive training with Holistic approach and appropriate guidance.

The **mission** of Naiminath Ayurvedic Hospital is to improve the health of our Community and the Global Community by setting the standard of excellence in patient care. We aim –

- To be the world's preeminent Ayurvedic healthcare institution.
- To educate budding healthcare professionals and to participate in appropriate clinical research.
- To cultivate an environment of trust, honesty, mutual respect and compassion.

ABOUT B.A.M.S.

Bachelor of Ayurvedic Medicine and Surgery (BAMS) is a five-year undergraduate program that offers an integrated course that covers a wide range of subjects of traditional Ayurveda and modern medical systems. The five and half a year-long course is inclusive of an one-year mandatory internship.

BAMS course provides the complete knowledge about 'Ashtanga Ayurveda' along with scientific advances in modern medicine along with extensive practical training. National Commission for Indian System of Medicine (NCISM) is the regulatory body for admission to Ayurveda education at undergraduate as well as postgraduate level and for practice Ayurvedic medicine in India.

- An aspirant from the general category needs to secure an aggregate of 50% in their Class 12 Board examination. While, for SC/ST/OBC candidates, the qualifying percentage is 40%.
- Candidates need to have qualified NEET 2024 by securing minimum qualifying cutoff percentile to get admission in BAMS course.
- For foreign students, any other equivalent qualification approved by the University will be allowed.

Intake capacity - 100 seats

TEACHING HOSPITAL

TEACHING COLLEGE

KAYACHIKITSA

Kayachikitsa is an important branch amongst eight branches of Ayurveda, dealing with multi-systemic illnesses. The holistic approach in consideration of Prakriti (Body Constitution), Saara (Tissue Essence), Satwa (Mental health), etc., Asthasthana (Nadi Pareeksha, etc.), Dashavidha diagnostic's tools and therapeutics with various medicaments (Detoxifying & Palliative) is the uniqueness of this specialty.

AGAD TANTRA

Agadtantra is one of the eight branches of ayurveda. It deals with properties, effects and management of poison of animate & inanimate origin. There is in detail study of agadas i.e. vishavirodhidravya or vishavirodhikalpa which are used since human history itself. It also deals with the laws related to poisons.

KAUMARABHRITYA

Kaumarabhritya speciality of Ayurveda deals with health & wellness of children. The speciality vividly deals with newborn and pediatric care with a great deal of scientific touch to nutrition, immunity including growth and development, Samskaras (ceremonies), Diseases, Graha rogas (Infectious diseases), treatments and drug doses.

PANCHKARMA

Panchkarma— panch and karmas, when literally translated means 'Five Procedures'. It is an ayurvedic treatment that involves elaborated methods of purification to release stress, which prepares the body tissues to accept the maximum benefits of food, nutrition and exercise.

Stree Roga and Prasooti Tantra is a significant branch of Ayurveda mainly dealing with child birth (Prasooti tantra /Obstetrics) and Gynecological (Streeroga) disorders.

Shalakyatantra deals with diseases of Eye, ENT, Oral, Dental, Head and Neck. Numbers of classical therapies are explained in the management of various diseases. Numerous classical medications are available in Ayurveda which acts as antioxidant, rejuvenating and regenerating in qualities that help in the management of EYE, ENT and Oro-Dental diseases.

Shalya Tantra is the branch of Ayurveda medicine that uses surgical techniques and traces its origin to the one of the first and most established treatise on Ayurveda, Susrata Samhita.

Swasthavritta evam Yog in Ayurveda offers proactive preventive healthcare and lifestyle management. The aim of ayurveda is to cure diseases and beyond that; to prevent the occurrence of diseases and ailments by means of adoption of right hygiene: personal and social.
